

**We Take Pride In Our
Community As Well As Our
Record of Safety & Security**

You made a good decision when you chose this facility. We make sure our residents live in a safe, crime-free environment because we are charter

members of Senior Crimestoppers — a program designed to keep incidents of crime out of long-term care and senior housing facilities. The charter membership plaque displayed in our facility

designates our zero tolerance to crime platform. This blanket protects our residents, staff, managers, family members and visitors and covers anything detrimental occurring on our campus. Nationally, in over 5,000 facilities, Senior Crimestoppers has experienced a success rate of preventing crime incidents of 90.67 percent.

The Key Components Are Simple But Very Effective

Personal lock boxes; a completely anonymous, around the clock call center (800-590-5850) with a highly trained staff of operators who gather information to help solve issues that occur; and cash rewards of up to \$1,000 posted on every incident in order to solicit information that aids our facility in effectively dealing with any issue.

We Take Pride In Our Record of Safety and Security

Our residents gain a welcome sense of security and their family members enjoy greater peace of mind knowing that their loved ones are in a safe, crime-free environment. For more information on the Senior Crimestoppers Program you can search their website at www.seniorcrimestoppers.org.
